

Buzz Off® Antiseptic and Fly Repellent Cream

ACTIVE INGREDIENTS:	Diethyltoluamide	66.6g/kg
	Di-n-Propyl Isocinchomeronate	25g/kg
	Piperonyl Butoxide	10g/kg
	N-Octyl Bicycloheptene Dicarboximide	8.3g/kg
	Pyrethrins	1g/kg

DESCRIPTION: Buzz Off® Antiseptic and Fly Repellent Cream contains a combination of insect repellents and insecticides to provide an effective killing and repelling action. It also contains synergists, which allow the insecticides to work more effectively at a lower dose.

Buzz Off® Antiseptic and Fly Repellent Cream effectively “blinds” the insect’s senses. This creates a resistant barrier between the animal and the insect, repelling biting insects and protecting wounds from further damage. Buzz Off® also contains an antiseptic to help prevent infections and assist with wound healing.

Buzz Off® Antiseptic and Fly Repellent Cream is an easy to use cream formulation in a brightly coloured, handy size tube, making it simple to apply the product around the eye area, ears and head.

PACK SIZE: 75g tube

DIRECTIONS FOR USE: **Dogs and Cats:** Apply a thin smear to the ears and back of the animal, taking care not to get cream into the eyes. It can be freely applied around wounds and on already bitten ears.

Horses: Use around head and flanks, taking care not to get cream into the eyes.

Buzz Off® Antiseptic and Fly Repellent Cream should not be used on animals under 12 weeks of age.

PRECAUTIONS: This product contains diethyltoluamide, which may be dangerous when used in large amounts or for a long period.

DISPOSAL INFORMATION: Dispose of empty container by wrapping with paper and putting in the garbage.

STORAGE: Store below 30°C (room temperature).

APVMA #: 65155/50301
